2020 Cinder City Days Cancellation Release

In an effort to do our part for the safety and wellbeing of our community, the Altoona Lions Club in conjunction with the City of Altoona, has made the difficult decision to cancel all Cinder City Days events for 2020. The safety of our members, our volunteers, and the community that we serve is of utmost importance to our club. We would like to thank everyone for their continued support in our efforts to give back to the city we love.

The Altoona Lions Club is continuing to find ways to help our community in any way we can during this trying time, and if we all do our part we'll get through this together. If you know of anyone in need, please email, Facebook message or reach out to a Lion... because we all know a Lion.

For anyone that has already purchased concert tickets, we thank you and refunds are on the way. Please reach out to us if you have any issues.

Stay safe, stay healthy, and we'll see you next year!
